PREPARATION OF THIS DOCUMENT

This revised list constitutes an attempt to bring together most of the material related to aquaculture and published since 1960 by FAO and its Regional Bodies. It does not include, however, the numerous technical reports prepared as part of various technical assistance projects.

The titles are listed in chronological order of year of publication. For each particular year, they are listed in alphabetical order of authors' names. Author, taxonomic, geographic and subject indexes provide further assistance in retrieving the information required.

The abbreviations of the titles of books and periodicals are based on the American Standards Institute, Standards Committee 239, prepared for the UNISIST/ICSU-AB Working Group on Bibliographic Descriptions. A list of acronyms is given on page xi.

The present circular completes the information on non-FAO aquaculture literature provided in similar lists published as follows:

(i) Aquaculture in marine waters. An indexed list of non-FAO reference books and monographs, 1961-1997. FAO Fish.Circ., (925), 1997

(ii) Aquaculture in fresh waters. An indexed list of non-FAO reference books and monographs, 1951-1997. FAO Fish.Circ., (926), 1997

(iii) Selected aquaculture publications: serials, newsletters, meeting proceedings, and bibliographies/directories/glossaries. FAO Fish.Circ., (808, Rev.1):133 p. 1991

HOW TO OBTAIN FAO PUBLICATIONS

The publications listed in this circular may be ordered from any of the FAO's Sales Agents (see attached list). They can also be ordered either through the FAO Representative Office in your country or directly from **FAO Sales and Marketing Group**:

- by regular mail: Viale delle Terme di Caracalla, 00100 Rome, Italy
- by telefax: +39 6 52253152
- by e-mail: publications-sales@fao.org

Clearly cite the complete bibliographic reference for each document. Do not just mention the K index code number, as this will considerably delay processing. The best would be to mark the requested documents on a photocopy of selected pages of this circular.

Most of the publications in Series, such as **FAO Fisheries Technical Papers** are available for sale. They should be prepaid (see below) and a photocopy of the means of payment should be sent as soon as possible to the FAO Sales and Marketing Group. Should a document be out-of-print, please state whether or not a reproduction is required.

Photoreproduction of any FAO document can be obtained directly from the **FAO Reference and Documentary Information Group**:

- by regular mail: David Lubin Memorial Library
  Viale delle Terme di Caracalla, 00100 Rome, Italy
- by telefax: +39 6 52252002
- by e-mail: fao-library-docfiche@fao.org

Specify if you want to order either microfiches or photocopies:

- **microfiches** are diazo duplicates, 105 x 148 mm; they cost USD 2.00 per fiche, including airmail; microfiches produced before 1981 (COSATI format) contain 60 pages and 98 pages thereafter (NMA format);
- **photocopies** cost USD 2.00 per every 10 pages or less per individual item; the maximum number of copies made per document is 40 pages.

All orders sent directly to FAO must be prepaid. You may use one of the following ways:

- by **credit card** (American Express, CartaSì, Eurocard, Mastercard and VISA); please note that all charges will be subject to conversion at the prevailing UN rate of exchange; clearly provide in writing credit card company, cardholder's name and address, card number and expiry date, and holder's signature;

COMMENT OBTENIR LES PUBLICATIONS DE LA FAO

Les publications mentionnées dans cette circulaire peuvent être commandées de l'un des **Points de vente** des publications de la FAO (voir liste annexée). Ils peuvent également être commandés soit par l'intermédiaire du Bureau du Représentant de la FAO dans votre pays, soit directement du **Groupe des ventes et de la commercialisation de la FAO**:

- par lettre adressée à: Viale delle Terme di Caracalla, 00100 Rome, Italie
- par télécopie au numéro: +39 6 52253152
- par courrier électronique à: publications-sales@fao.org

Citez clairement **la référence bibliographique complète** de chaque document commandé. Ne mentionnez pas uniquement le numéro K de code d'index, car cela ralentira considérablement l'envoi de votre commande. Le plus simple serait de marquer les documents choisis sur une photocopie des pages de cette circulaire.

La plupart des documents publiés dans une Collection, comme par exemple **FAO Documents techniques sur les pêches** sont en vente. Pour les obtenir, la commande doit être payée à l'avance (voir ci-dessous) et une photocopie de la preuve de ce paiement doit être envoyée aussitôt que possible au Groupe des ventes et de la commercialisation de la FAO. Au cas où un document serait hors stock, veuillez indiquer si oui ou non vous désirez une reproduction.

Une photoreproduction de n'importe quel document FAO peut être obtenue directement du **Groupe références et information documentaire de la FAO**:

- par lettre adressée à: FAO-David Lubin Memorial Library
Viale delle Terme di Caracalla, 00100 Rome, Italie
- par télécopie au numéro: +39 6 52252002
- par courrier électronique à: fao-library-docfiche@fao.org

Spécifiez si vous désirez commander soit des microfiches, soit des photocopies:

- **les microfiches** sont doubles du diapo, 105 x 148 mm; elles coûtent USD 2.00 par fiche, y compris les frais d'envoi par avion; celles produites avant 1981 (format COSATI) contiennent 60 pages et celles des années suivantes 98 pages (format NMA)
- **les photocopies** coûtent USD 2.00 par 10 pages ou moins de chaque document; le nombre maximum de photocopies par document est de 40 pages.

Toute commande faite directement à la FAO doit être payée d'avance. Pour cela, vous pouvez utiliser l'un des moyens de paiement suivants:

- par **carte de crédit** (American Express, CartaSì, Eurocard, Mastercard et VISA); veuillez noter que tous les montants seront convertis au taux d'échange des Nations Unies en vigueur le jour de la transaction; indiquez clairement par écrit la compagnie de votre carte de crédit, le nom et l'adresse du détenteur de cette carte ainsi que le numéro et la date d'expiration de la carte; ajoutez la signature du détenteur de la carte;

- par **virement bancaire** en dollars des Etats-Unis (USD) au compte no. 490650/39/44 "FAO/UN General Dollar Account", à la Banca Commerciale Italiana, FAO Branch, Viale delle Terme di Caracalla, 00100 Rome, Italie, en faveur du "Groupe des ventes et de la commercialisation, PRF 11 124 6300";
- par **virement bancaire** en lires italiennes (ITL) au compte no. 490650/31/36 "FAO/UN General Lire Account", à la Banca Commerciale Italiana, FAO Branch, Viale delle Terme di Caracalla, 00100 Rome, Italie, en faveur du "Groupe des ventes et de la commercialisation, PRF 11 124 6300";
- par **chèque** en dollars des Etat-Unies, établi à l'ordre de la FAO et envoyé au Groupe des ventes et de la commercialisation, FAO, Viale delle Terme di Caracalla, 00100 Rome, Italie;
- en **monnaie locale**, au bureau du Représentant de la FAO dans votre pays, au taux de change des Nations Unies en vigueur le jour de la transaction.
